

REF. No.: L-SCC-MSA-00098-2018-009

Date: 14-Apr-2021

Subject: Contract No. MSA-00098-2018 (Letter of Appreciation – Performance of Work)

Attention: **Mr. Hamid Raza**

Al Yusr Industrial Contracting Co (AYTB)

Sadara is writing this letter to you to appreciate the successful completion of shutdown work of Heat exchanger replacement project under EJM 708. We are grateful to high-quality services, level of accountability, positive attitude and dedication demonstrated by your team on the project. We must say that the way your team conducted the job was exceptional, professional and meeting all the job requirements.

The praiseworthy achievement was that this project successfully completed in 20 days from PO to RTO which was before schedule for this critical Shutdown works.

We would also like to mention the dedicated involvement of your Key personnel's for driving this project to achieve the success.

1. Project Manager – Mr. Anthony Joseph
2. Construction Manager – Mr. Qaiser Iqbal
3. Site Superintendent – Mr. Tony Joseph

Hope AYTb will continue providing the same quality of services you have been providing so far for other projects under our CSC Contract.

We express our sincere gratitude to you and your team. Thank you for your corporation and looking forward for many such milestones to get accomplished in future as well.

Best regards,

**Mohammad AlGhamdi**

Project Support Superintendent

CC: P&ES Sr Manager, Project Superintendent – HCE Envelope
